Yoga Solid Extra

A hard-wearing modular mat with a dense, non-slip top surface. Small projections on the underside raise the mat to aid drainage and ventilate the floor. The mat is easily extended to the preferred size, and each module has a fixed link on one side which makes it easy to connect to the next module. Can also be finished with bevelled edges to reduce the risk of tripping. Yoga Solid Extra is made from a special nitrile rubber compound which makes it resistant to heat, cutting fluids, oils, grease, and chemicals.

Properties:	Soft, cushioning.
Material:	Nitrile rubber.
Thickness:	15 mm
Oil resistance:	Long exposure.
Temperature range:	-20°C – +70°C
Fire resistance class:	-
Environment:	Dry environments. Heavy industry, oil, warehouses or locations with high hygiene standards such as in the food industry. Excellent for covering large areas. Handles cutting fluids oils, grease and chemicals.
Care:	Sweep; wash with de-greasing detergent (pH 4.0-9.0). Withstands pressure wash up to 60 psi.
