

Yoga Tuff

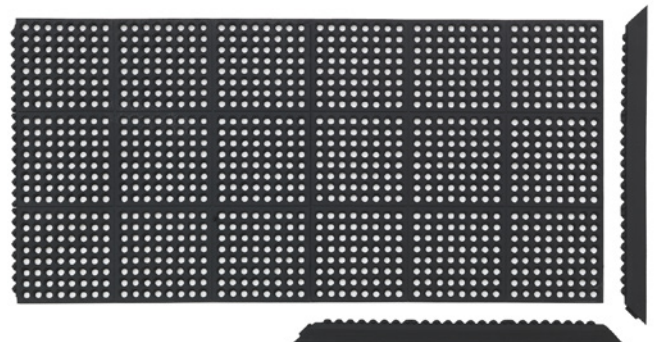

Yoga Tuff is a strong, soft and ergonomic modular mat with an open hole pattern and draining underside. Small projections on the underside raise the mat to allow the floor to breathe. The hole pattern provides a non-slip surface that lets liquid drain through and collects dirt such as swarf. The mat is easily extended to the preferred size, and each module has a fixed link on one side which makes it easy to connect to the next module. Can also be finished with bevelled edges to reduce the risk of tripping.

Properties:	Soft, cushioning
Material:	Natural rubber
Thickness:	15 mm
Oil resistance:	Short exposure.
Temperature range:	-30°C – +60°C
Fire resistance class:	-
Environment:	Dry environments, light industry. For covering large areas.
Care:	Sweep; wash with de-greasing detergent (pH 4.0-9.0). Withstands pressure wash up to 60 psi.
