Yoga Comfort

Yoga Comfort is a very hard-wearing workplace mat which provides a very high level of comfort on hard floors. The dense material is made of 100% nitrile rubber, which makes it highly resistant to oils, grease, chemicals and cutting fluids. Treated with antimicrobials to reduce bacterial growth, which also makes it suitable in environments with high demands on hygiene, e.g. restaurant kitchens, hospitals, laboratories. With a robust, bevelled edge that reduces the risk of tripping.

Properties:	Strain relieving, non-slip. ESD class 2, static dissipative.
Material:	Nitrile rubber, treated with antimicrobials.*
Thickness:	12.7 mm
Oil resistance:	Long exposure.
Temperature range:	-35°C – +120°C
Fire resistance class:	DOC-FF-1-70 (Pill test)
Environment:	Heavy industry, wet environments, food, welding, cutting fluids.
Care:	Flush off or use dishwasher, can handle disinfection with antiseptic chemicals. Autoclaves safe.

Art. no.:

60 x 90 cm 381115

90 x 150 cm 381116

Long exposure

*Treated with the biocides zinc pyrithione and thiabendazole in order to reduce the growth of micro-organisms. Low risk of environmental impact when using and cleaning the product. No special measures necessary at end of service life.
