

Yoga Deck

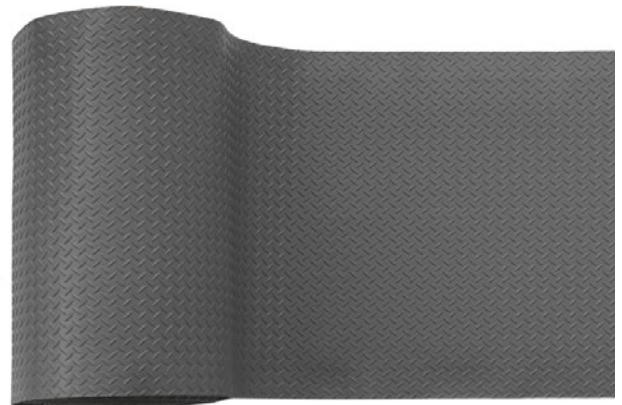

Extremely hard-wearing workplace mat with a checker-plate surface layer for best non-slip safety even with liquid spills. A soft, cushioning underside of foamed vinyl provides good ergonomics and comfort. The surface and underside are fused together for optimum strength, while environmentally harmful adhesives can be avoided. Bevelled edges reduce the risk of tripping and to make it easier to drive carts over the mat. When buying mats by the metre, you can also order the bevel on the short sides.

Properties:	Soft, cushioning.
Material:	Vinyl surface layer and foamed vinyl underside.
Thickness:	13 mm
Oil resistance:	Short exposure.
Temperature range:	+10°C – +95°C
Fire resistance class:	D.O.C. -FF-1-70 (Pill test)
Environment:	Retail stores, banks, offices, reception desks, assembly lines, warehouses, printing works, workshops, light industry.
Care:	Sweep, vacuum, wipe off using a mild detergent.
