Yoga Tex

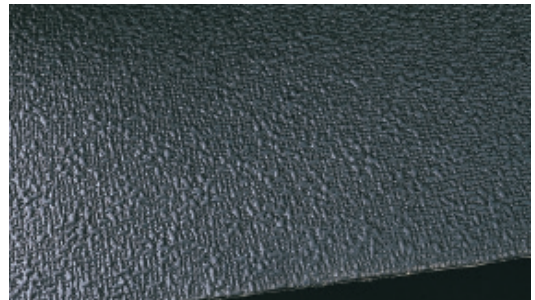

Yoga Tex is a workplace mat for the toughest environments. Can handle sharp, red-hot swarf, making it suitable for welding workstations. Its hard-wearing and good ergonomic characteristics also mean many people choose Yoga Tex for packing tables and similar work stations. It consists of a hard-wearing surface layer vulcanized to a soft, springy underside in natural rubber. The dense, textile pattern surface layer provides excellent non-slip qualities. Bevelled edges reduce the risk of tripping.

Properties:	Soft, cushioning, strain-relieving and non-slip.
Material:	Surface layer in SBR-rubber, natural rubber underneath.
Thickness:	9 mm
Oil resistance:	Medium exposure.
Temperature range:	-
Fire resistance class:	D.O.C. -FF-1-70 (Pill test)
Environment:	Heavy/light industry, welding, cutting fluids.
Care:	Sweep.
